I am writing this letter as an individual citizen of Ponca City who is an active supporter and participant in several arts organizations of Ponca City. I am writing in support of the proposed downtown Arts and Culture District Development Plan that would be funded by the Oklahoma Arts Council.

Organizations such as the Ponca Playhouse are an integral part of the arts community in the Ponca City downtown area and this past year it has offered seven different productions that generated a great deal of interest. The Ponca Theater, which has its own events, also hosts performances by other groups such as the Community Concert series and the Arts and Humanities Council. I could name several other organizations, all of which could benefit by a unified effort of this proposed Ponca City Arts and Culture District.

If you have questions or would like more detailed comments, do not hesitate to give me a call at 580-762-9235 or email me at royce580@yahoo.com and I would be happy to provide additional comments.

Hi! My name is Lauramily Fonseca and I'm a 34yr old local artist who is really excited to see Ponca City become more art oriented.

I paint mostly but am also a tattoo apprentice in okc. Am involved in the Art Center and look forward to seeing more opportunities for us artsy folk.

A place to display and sell art would be wonderful. I know many of my fellow artists all struggle with the same issue of "where to show and sell our art ".

I'd love to be involved and support the Arts and Culture District in downtown Ponca. I think it's a great idea and would add to our already charming town.

I hope this new adventure proves fruitful, look forward to seeing it grow and become a big part of our downtown area.

Dear Ms. McConnell,

On behalf of Cherokee Strip Credit Union, I would like to express our support for the proposed downtown Arts and Culture District Development Plan for Ponca City, through the Cultural District Development Grant funded by the Oklahoma Arts Council. We appreciate the efforts of the Ponca City Main Street Program to create a Plan that reflects an inclusive vision and strategy for Ponca City's culture and creative economy. I believe the Arts and Culture District Development Plan would create a hub of economic growth in the heart of our area, by significantly increasing the attractiveness of Ponca City as a business destination and place to call home, and driving new tourism spend – all of which would likely drive the creation of new smaller satellite businesses to support that growth.

Our Cherokee Strip Credit Union was born in 1933 as Conoco's Credit Union. As oil went, so went Kay County and our nearly 10,000 current Member/Owners. With the oil industry still in recovery, we collectively need to continue to find new ways to retain our current population, and attract those outside our community to visit and possibly relocate here. Your passion for growth and excellence, along with those of our Mayor and vibrant Business Chamber, make this mission possible. I hope that the Oklahoma Arts Council will do their part, through this Grant, to restore Ponca City as an artistic and creative gem of Northern Oklahoma, and a destination city for local and visitor alike.

We look forward to continuing our partnership with your organization to advance the goals outlined in the Arts and Culture District Development Plan. Thanks to the Oklahoma Arts Council for their consideration of this Grant, and to you and the Ponca City Main Street Program for the good work you do every day.

Sincerely,
